# Kabinart

When oak isn't your thing or you are in need of greater variety, we also sell Kabinart.

Kabinart is an excellent choice when you are watching your budget, but still care about quality. Kabinart is an allwood cabinet (with no particleboard) that won't break your pocketbook.

When you want cherry, beautiful dovetail drawers, choice of finishes, heavy crown, and variety in selection give us a chance to show you what we offer.

Buy Kabinart from a trusted and reliable source. We are Kentucky's largest dealer and consistently ranked as one of Kabinart's top ten dealers in the nation (from over 300). We know Kabinart!

We're serious. Make an appointment and get a quote. Already have a quote? Bring in your design and get a second quote. Let us show you how Kabinart can save you money without compromising on quality!

This price booklet does not reflect Kabinart's prices. Kabinart is calculated on a per-kitchen basis.

Kabinart takes 4-5 weeks. 40% deposit on order

© 2016 Salvage Building Materials

Our premium drawer boxes are assembled with solid maple sides using quality dovetailed joints at each corner, a mark of fine crafted furniture for hundreds of years.

Kabinart's signature series cabinets are solid wood throughout. The rails and center panel are solid and not veneered. Many companies today use eneered center panels

Kabinart is one of the few rare companies that use plywood as a 'standard' feature in their construction. When many companies want hundreds and thousands more, Kabinart gives this to you free. It's not an option

# BAR Cabinets

#### Base

Cabinets to B27 are single drawer units and B30 thereafter have two drawers. There is a half-shelf in all base units.
